A group of friends is on a photo safari (no animals were hurt!!). During the game, they are awarded points for each animal they get. For example:

LION= 4 points minimum  
HYENA = 11 points minimum  
GIRAFFE = 14 points minimum but would be worth over 64 points in a certain situation.

Based on this information, what is the minimum number of points for a ZEBRA?

Last week's answer: The blue door.

## ALL SCHOOL NEWS

**PSO-P.E.T:** We are looking for someone to help with the Teacher's PET team. Do you have a small amount of time you could dedicate to encouraging our teachers once a month? Please call Nora Chess @ 425.338.7196 or Shannan Leising @ 425.357.8984.

**Snow Make-up Schedule:** Now that we've had additional days off of school due to snow, first through eleventh grades will need to make up 2 days in June. Students will attend all day June 12 and 13th and will attend a half day (11:30 dismissal) on June 14th. Please make this change to your calendar.

**Auction:** Please continue to check the auction site on the Everett website of Cedar Park for valuable information. Also, included with this newsletter is an auction update.

**Re-enrollment:** Packets will be available February 6 in the office. Parents must pick up the packets or send a note to have students pick them up. Financial accounts must also be up to date in order to re-enroll. Take advantage of guaranteed placement and discounted fees Feb. 13-16.

**Art Club:** February's Art Club for 1st-6th grade will be held on Monday, Feb. 12th at 3:05 in the East

Portable. The cost is \$3.00. Even though there is only ONE Art Club this month, you won't want to miss it! We will decorate a Valentine's treasure box. You can put your favorite photos, valentines or any other special items in it for safe keeping. Sign up in the office.

**Canned Food Drive:** Continue to bring in non-perishable food to your classroom. We have a lot of food already and are excited to bless local families in our community out of our abundance.

## A Look Inside the Classroom

The returning **varsity volleyball players** are thankful that the Buffalo Station Chevron and Espresso are sponsoring them to attend the volleyball camp at Whitworth College in Spokane this summer.

**Mrs. Grimes third grade** class went ice skating at the Everett Events Center as a culminating event for their study of exercise in the health unit. They had ice skating lessons and all 15 students took to the ice. The adults who attended, Mrs. Matson, Mrs. Grimes, Mrs. Robertson and Mrs. Sumida braved the ice as well!

We had our annual Open House for new families last night. A lot of very nice families and students toured the school, viewed the curriculum and chatted with the teachers. As always, we're excited to welcome new families for a brand new year into our Cedar Park family. If you have friends, family or neighbors interested in attending Cedar Park, enroll-

ment packets are available in the office and enrollment will be open to the general public on Tuesday, February 27. Keep bringing in that canned food! We want to show the community that we care about them! Chapel today was great as our drama department performed monologues.

God bless, Curt Frunz
