Puzzle Corner

The first 10 students to stop by the office on Monday morning with the correct answer written on a piece of paper with your name/grade will receive a prize!

Mr. Smith needs snacks for all the students going on a field trip. He bought 9 boxes of granola bars containing a total of 88 bars. He wanted variety, so he purchased 3 different flavors, which happened to come from 3 different companies. The almond chunky granola bars were packaged 8 to a box, the chewy chocolate chip bars came 10 to a box and the super special raisin nut package contained 12 per box. He bought the most boxes of almond chunky, but had the most raisin nut bars. How many boxes of each flavor did he buy?

Last week's answer: 16 pt. minimum (game of Scrabble)

A Look Inside the Classroom

Chemistry and physical science students are learning about types of chemical reactions. They combined yeast and hydrogen peroxide to create a gas. Then they lowered a smoldering coffee stir-stick and were amazed to watch it relight!

Mrs. Wallace and Mrs. O'Neal's **second grade** classes conducted their annual spelling bee this week. Each class was narrowed down to 3 winners and those 6 students participated in the final round. The winners received a treat and all the students had fun and were challenged. Other classes are holding their spelling bee run-offs as well.

Last week's homecoming was incredible. This was the first of many memorable homecomings for Cedar Park's Everett Campus. 3/4 of our alumni returned to join the fun. Our 9th-12th grade students dressed in formal attire and were welcomed by red carpet to the Academy Awards themed night.

"Paparazzi's" snapped pictures as they entered, a dinner choice of beef or chicken (w/ side dishes, salad and beverages) was served and the students participated in a talent show with cash prizes. "Oscars" were given out, the royal court was crowned and students also participated in "Deal or No Deal" and

"Fear Factor" as part of the evenings entertainment. The HS ASB and several very dedicated parents helped plan and direct this evening. Many thanks to all of you!! Visit the Everett website to view pictures of this fabulous evening.

God bless, Curt Frunz
