One are biggest events is coming up - THE AUCTION. If you do not have a ticket, then come to the door on Saturday and buy your ticket. Bring a friend-the food will be great! The entertainment will be our own high school worship team. You will be impressed, they are good.

This has been Spiritual Emphasis week for the secondary students. This means Chapel every day. We have had some great motivational speakers. The week started off with the youth pastor from Christian Faith Center. Tuesday we had Pastor Bill Keogh. Wednesday,

Pastor Peter Blu from the Cedar Park Bothell church was here. The speaker today is Richard Thomas. He is a former University of Washington football team captain. His sports career has several outstanding achievements. This youth pastor is a great motivational speaker. Our faculty has been praying for this week and for each and every secondary student by name.

The staff is praying for a "revival" for our students. We are praying students will give over 100% percent to achieve the goals God wants for their

lives. This means respecting authority. starting with their parents. They also need to work their hardest in class and at home. They need to have a positive attitude about their presence here on this campus. SAT tests are coming soon-be watchful for advise on getting your student ready (getting enough sleep and eating correctly).

God bless, Curt Frunz, Phil 2
