Elem. Spring Concert: The Spring Concert has been moved to Tuesday, May 22 at 7 pm in the Gym. A-Bill productions will be on hand to record the performance and take orders for DVD's the night of the con-

cert as well as the week prior.

Campbell's Contest: Keep collecting those UPC labels!

Elementary Talent Show: Start thinking of your talent act over Easter Break! Try-outs will be held Tuesday, April 24th and the Talent Show will be Tuesday, May 1st.

Fund Run: The Fund Run

is coming up on Thursday, May 3. Be sure to collect sponsorship for this event. This is the biggest fund raiser for our athletic department which includes PE and all after school athletics. Sponsor forms were sent home prior to Easter Vacation.

A LOOK INSIDE THE CLASSROOM...

Mrs. Monroe's preschool class had an exciting week with a fun ride on a Community Transit bus and a special visit from the Hilton Lake Fire Department.

Mrs. Wallace's 2nd grade students are working on a report about the American Pioneers. The students are very excited to display their projects once they are complete.

Mrs. Maas' preschool class enjoyed a great day at the zoo today. To get excited for their trip they made their very own zoos using magazines and imagination!

Fourth and fifth grade classes boarded a boat yesterday to learn about sea life. They were able to touch sea stars and other ocean life, catch plankton in a net, view organisms in a microscope and much more.

Puzzle Corner

The first 10 students to stop by the office on Monday morning with the correct answer written on a piece of paper with your name/grade will receive a prize!

Can you take three letters away from a four-letter word and manage to have it mean the same thing?

Last week's answer: White Fang, The Grapes of Wrath, Angels and Demons, The Outsiders

Enrollment for next year is looking good, especially in elementary. We're in the process of discussing hiring needs, programs and curriculum. The basic curriculum may change at some elementary grade levels. We examine curriculum every year and our goal is to offer a curriculum that best reflects a Christian worldview in all academic subjects while maintaining a high academic standard. We're presently looking into offering more Bob Jones curriculum in the elementary. Studies have shown

that the SAT scores of schools using BJU are as high or higher that what we're currently using. BJU has a fantastic hands-on program for science, for instance. Dr. Culver, from the Bothell campus, has studied curriculum for many years and feels confident that this will be a good move for our school. He is very impressed with the way that Bob Jones University listens to input from our staff and is willing to edit the curriculum based on our input. This new curriculum contains some of those

changes. If you plan to re-enroll and haven't done so yet, please pick up your re-enrollment packet and submit it. It really helps with planning for staffing and curriculum orders.

You won't want to miss the Secondary drama production of "Anne Frank and Me" on Thursday and Friday of next week. Tickets can be purchased at the door.

God bless, Curt Frunz
