Wow! Thanks for the support with this year's Fund Run! We raised over \$10,000!! Winners will be announced in Chapel today.

We're continuing to finalize plans for purchasing new computers and sound equipment from the funds raised at the Auction in March. We're also looking into purchasing some new playground equipment. If anyone has contacts in the playground structure industry, please let us know!

Security of the campus is in the forefront of our minds. We're working with CFC on a system to lock the school down during school hours. Also, we're making plans to install phones in all the classrooms as soon as possible. CPCS and CFC employees wear badges on campus so that we can identify visitors and make sure they have checked in with the school or church.

If you feel led to donate financially or meet with us for suggestions regarding security or

playground needs, please contact Mr. Frunz.

Please know that Pastor Fuiten and his team are still searching the surrounding area for a bigger parcel of land to build our new campus. We still have the Mill Creek property that we can build on if we can't secure something larger. Keep praying!

God bless,
Curt Frunz
