SECONDARY NEWS

- High School Unformal is **June 1st** from 5-10 pm.
- Mentor groups are June 1st.
- MS Field day will be on Wed., June 13th. Information regarding location, time and cost will come home shortly. Remember to check the MS website for details also.

The graduating Class of 2007 formally invites you to attend Commencement Services Friday, June 8th 7pm in the Chapel

This is a wonderful ceremony celebrating our graduates and is a memorable time for students and parents of students of all ages. A commitment to Christian education through the high school years bears a great deal of fruit and Commencement is your chance to see this first hand.

ALL SCHOOL NEWS

Field Day: Elem. Field Day is Tue, June 12th. A planning meeting is scheduled for June 1st from 2-3 pm. This year's theme is Patriotic (red, white and blue).

Pizza by the slice: Pizza will be sold for a dollar a slice on the last day of school—June 15th.

Enjoy your Memorial Day Weekend

INSIDE THE CLASSROOM...

Miss Holmes first grade class had a special visitor on May 1st—A Beach Ranger from Edmonds Discover Programs. This informative and hands-on hour prepared the class for a Beach Walk at Marina Beach. Last Wednesday, students had a fun and educational experience exploring beach life on a low tide day. This was followed by a picnic lunch and playtime. Photos and artwork decorate the hall wall outside Miss Holmes' classroom.

Mrs. O'Neal's second grade class blessed the student's in Chapel with songs and skits that had to do with the Fruit of the Spirit.

Mrs. Milfs' kindergarten class has been enjoying a butterfly science theme for four weeks. The students were able to watch in anticipation as painted lady butterflies rested in their cocoons, emerged from their cocoons and then were set free outside last week. The students ran and followed the butterflies as they flew away.

The **Third grade classes** presented a tribute to our Veterans today in Chapel. Many different U.S. Wars were highlighted as well as Patriotic Songs from different eras.

Athletics

Four of our HS track athletes are on their way to State in Cheney, WA. **Annelise Buck** qualified in the javelin, **Kayla Gilmartin & Johnathan Davis** qualified in the discus and **Michan Harper** qualified in the 100m and 300m hurdles. Congratulations! Please pray for these 4 athletes and their coaches as they compete this weekend.

6/12—Elem. Field Day
6/13—MS Field Day
6/14—HS Field Day
6/15—last day of school, 11:30 dismissal, pizza sale

Once again, thanks to all the participants and sponsors of our annual Fund Run. We raised over \$10,000 which will greatly enhance our PE, and Athletic departments and the playground. The top winner was Tyler Schampier who won the Wii. His brother Max Schampier was #2 and went home with a portable DVD player. Third place went to Tia Ovenell who received an iPod shuffle and iTunes gift card. The family prize of a Mariners Family Pack was awarded to

the Schampiers. Mr. Richardson's 11th grade class brought in the most money per student for secondary. Mrs. O'Neal's 2nd grade class brought in the most money per student for elementary. Both classes will have a party to celebrate their hard work. Many students will also be receiving gift cards through Scrip for the money they raised. *Special thanks goes out to Kim Neill and Lucy Orecchio and their team for organizing the Fund Run. Great job!!*

It's really exciting to see how much participation we've had this year from all of you with our fund raisers (Poinsettias, Auction, Fund Run, etc.). Thank you for your consistent support.

God bless,
Curt Frunz
