## A LOOK INSIDE THE CLASSROOM

Mrs. Grimes' **third grade students** performed skits this week for the younger grades.

Mrs. Maas' **preschool class** recited the Pledge of Allegiance on Spirit 105.3 this past Tuesday.

Mrs. Richardson's **Algebra II students** used yarn circles to represent Venn diagrams. Students sorted items by categories which helped to visualize and understand the overlapping concepts represented by the diagrams.

**Preschool, Kindergarten, 1st grade and 2nd grade** were able to view a giant crane from *Ness Cranes* this week. They were able to watch the operator maneuver the crane up close!

Congratulations to our **President's Award for Educational Excellence** recipients! 4th-12th grade students are selected based on grades (3.5+ GPA) as well as SAT scores.
