Supporting Our Troops in Iraq
Thank you for all of the wonderful items you have brought to send to the men and women serving our country in Iraq. Perhaps the most special item each soldier will receive from the students at CPCS is a handmade card. The cards were so well written and had such great sentiment that we thought we'd share a few with the parents! Please see the reverse side of this newsletter to read what your students have written...

A look inside the classrooms...

Mrs. Milfs' kindergarten class learned the letter "v" this past week. A special guest and her children brought in their violins and showed the students the parts of the violin and played music for them.

The elementary and preschool classes had wonderful feasts in celebration of Thanksgiving. Thank you to all of the room moms and volunteers who helped coordinate. The students were also able to make "thankful trees" during Chapel services, indicating all of the many blessings they have and things for which they are thankful.

Worship team will be doing a Christmas outreach by going caroling into our community on Tuesday, December 11 at 7:00 pm. This will be our 4th year of caroling and in past years people have expressed how much it has meant to them to have not been forgotten at Christmas time. We hand out plates of cookies and share Christ's love with a song or two. The singers get blessed probably more than those we visit! We will finish the night by going to the *Spotted Cow* for a hot chocolate. What a fun time, and we are excited!
