Book Fair: The Book Fair starts Monday Dec 10th and goes through Friday Dec 14th. It will be open from 9:00am to 3:30pm Monday through Thursday and 9:00am - 12noon Friday in the Teachers Lounge across from the lunch-room. We thank you in advance for your support, as the proceeds of this event go to our Library. Please check out the Teachers' Classroom Wish Lists on display at the Book Fair for an additional opportunity to help by donating a book to your child's classroom! We are still in need of Volunteers. We would only need about two hours of your time. Please call me if you can help. Vicki Squires 425/501-7313. This is a great way to earn those PIP hours!

P.E.T. Committee: The PET committee is organizing a monthly lunch for our staff. We are looking for folks who would like to volunteer a couple of hours once a month. Donating part of the menu items for the lunch would be helpful as well. If you would like to contribute in any way, please contact Wendy Kleppe (425-787-9527 or kwkleppe@comcast.net) or Kristi Garat (kristig@att.net). This is a great way to earn those PIP hours while blessing our staff.

Volunteers Needed: Need to earn PIP hours? We're in need of volunteers to help with our annual vision screening in January. Medical training is not necessary, but would be nice! Also, we're in need of volunteers to help officiate at the district spelling bee on February 1 at Shorewood Christian School in S. Seattle. (Parents cannot officiate in the same room in which their child is a participation speller.)

A look inside the classrooms...

All Day Kindergarteners are beginning Addition in Math. Reading Groups have begun and Tues and Thurs are Reading Homework days. We made a red/green chain to help us count down the days to Christmas. Each link has a fun thing to do as we celebrate Jesus' birth.

Physics students are studying angular velocity and centrifugal acceleration. They made slings in class for a real-world application of their knowledge, and tried to knock over empty water bottles with rubber balls.

Biology students are studying the flood, and are learning about how fossils were made quickly and abundantly. They made their own leaf fossils by preservation of parts and preservation of tracks.

Both 1st grades tied (by half a label!) in the Box Top contest and will enjoy an ice cream party in January.

The Legend of the Candy Cane

*Look at the Candy Cane
What do you see?
Stripes that are red
Like the blood shed for me.
White is for my Savior
Who's sinless and pure!
"J" is for Jesus, My Lord, that's for
sure!
Turn it around
And a staff you will see.
Jesus my shepherd
Was born for me!*
