**Field Day:** Mrs. Matson and Mrs. Crenshaw are making plans for another great Elementary Field Day. The date has been set for Wednesday, June 11th. If you are interested in volunteering for this fun event, please contact the office at 425.337.6992 or email Mrs. Matson at [debbie.m@cedarpark.org](mailto:debbie.m@cedarpark.org).

**Elementary Talent Show:** The elementary talent show is Wednesday, May 28th at 1:45 pm in the Chapel. The participants will enjoy an ice cream treat after the show. We have some great acts - don't miss this show!

**Fund Run Update:** As of Friday morning, we have collected over \$10,000! This is over \$43 per student. The students, parents and staff did a fantastic job again this year! The elementary and middle school will see some great benefits from this fund raising event. *Preschool Fund Run info is not included.*

**All School Chapel:** This coming Friday, May 30th is an all-school Chapel starting at 8:45 am. The Chapel will feature Tayla

### A note from Mr. Frunz:

I appreciated all the parents that attended the music concert on Tuesday evening. The students gave an excellent performance. Mrs. Cummings has taught the students to give their best and is to be commended for her talented teaching. The end of the concert was especially moving with the students singing the National Anthem.

High school track students are off to the State B tournament in Cheney Washington. Twelve students attended, including alternates. This is the most number of athletes we have sent from our campus. The high school girls will be awarded Academic State Champions for Washington State at the B level for girls track. These girls have worked hard academically to achieve this great honor and we congratulate them!

Achievement by our students is a progressive growth system at Cedar Park. The students are given a highly academic curriculum from preschool through grade 12. We incorporate a strong Christian world view which teaches our students to put a Godly perspective on the issues of life. Your students honor, respect and learn about God on a daily basis.

*Enjoy the three-day weekend!*

Hodges in concert and giving her testimony. This package was purchased by several parents at our auction to present to the school as a gift. Thank you to all the parents who donated! For a look into Tayla Hodges' ministry, please visit [www.taylamusic.com](http://www.taylamusic.com).

**Career Day:** Our secondary students participated in Career Day on Wednesday. They were each able to attend 3 sessions which included a nurse, a detective, a CEO of an interior design company, an oceanographer, a computer engineering/design representative from Digipen, a housewife, a lawyer, a US Marine, and a pastor. The professionals gave their background and education information and then spoke about their career. They challenged the students to think about what they might want to pursue and how to get there.

**First Grade Curriculum Viewing:** Calling all kindergartens! Parents and students interested in viewing next year's first grade curriculum and meeting teachers have the opportunity to stop by Miss Holmes' classroom next Thursday, May 29th between 3:15 and 4:00 pm. This is a brief and informal time to introduce your child to a first grade classroom.

### A look inside the classroom...

Painted lady larvae arrived in Mrs. Milfs kindergarten classroom last week. As a science project, the class is observing the cocoon to learn about the metamorphosis of a caterpillar into a butterfly.

Students are picking up the silent auction items that they won with earned library points. Spare and/or used books are for "sale" with library points. Price range is 50 to 200 points.

Mrs. Zuvella's class incorporated the Fund Run into class time. She ran 12 or 13 laps and all the students ran even more! Thank the Lord for healthy bodies and lots of energy. They all had a lot of fun memorizing their theme verse for the Fund Run: "God gives power to those who are tired and worn out, He offers strength to the weak. They will run and not grow weary; they will walk and not faint." Isaiah 40:29-31. After reciting the verse by heart, each student got to jog around the classroom.

Mrs. Sauers' and Mrs. Fine's classes visited Pioneer Farms and made tin lanterns, played pioneer games and listened to pioneer stories. The students wanted to stay longer!
